## A Video Update from Pastor Aaron

## Our New Communications Director

We are thrilled to announce that Session has voted to officially hire Mindy Wildman as our new Communications Director. We have all benefited from Mindy's training this spring as we enjoyed her worship and music slides each Sunday. She will continue blessing us in this way but will also take over our website and social media accounts, attend training seminars and

workshops in order to expertly operate our sound board, design & produce our sermon banners and posters, and produce materials for Pioneer Clubs and other church events, some of which

we were already outsourcing. Welcome aboard, Mindy!

### Thank you, Don!

We would like to offer thanks to our outgoing Small Groups Director, Don Grigorenko, who has spent the past year getting the small group ministry up and running. This fall, Don and Aaron Baldauff will be teaming up to oversee small groups implementation on a volunteer basis. If you have any small group ideas or are interested in joining a small group, please see Don or Aaron.

## Upcoming Events!

### A Trip to Israel!

Several months ago, we announced that FPC is offering a trip to Israel in 2022 for our members and friends. At the link below, you can find more information about what we will be doing, a general cost and what it will cover, and what participants can start doing now to prepare. We are also planning an informational meeting for this fall and will announce it as soon as we have a date.

## FPC's Summer Day Camp

As announced previously, we are offering a Summer Day Camp on Monday, July 20, and Tuesday, July 21. Camp will be at a church member's home and will run from 9 am to 6 pm each day. Camp is open to children who have finished grades 3-6 and will include swimming, hiking, and canoeing, along with lots of games and activities, all while learning of Jesus and His love for each one of us.
