This evening everyone is invited to a traveling prayer meeting for our community and our schools. We'll meet under the carport at 7:30 pm to begin and then travel to both Miami View and the high school to pray for our students, teachers, and administration as they begin the school year.

A Request from our School Board

We have received a request via Kim Owens from the Southeastern Board of Education:

As the Southeastern Administration busily plans for the opening of the school year amid COVID-19 regulations and guidelines, we have thought of a way that you can be of help. In order to reopen, there are certain things that need to be in place that will incur unplanned expenses on the Southeastern Schools as well as school districts throughout the state. One of these is providing masks for students who need them. As of now, per Governor DeWine's mask order, masks will be a requirement for anyone over the age of 10 (with certain exceptions). Hopefully, many of our students will be bringing a mask from home, but we will still need a stockpile of these available for students who are unable to provide one and for masks that are forgotten, lost, or damaged. If there are those in your congregations or groups who make masks, we would greatly appreciate any that you would be willing to donate to our district. Please email tentler@sels.us or kowens@sels.us if you have any questions. Also to help in planning, let us know approximately how many masks you would like to donate. Remember, we will need masks for younger children to adult sizes. If possible, we would like to have the masks before school starts on Aug. 26, and they can be dropped off at any of the school offices. Thank you for all your support to our school district.

Thank You!

We received a note from one of our seniors who couldn't attend Graduate Sunday:

Thank you for your gift and well wishes and for allowing me to serve our community over the years.

How to Receive Christ

1. Admit your need.

"I am a sinner."

2. Be willing to turn from your sins.

"I am sorry for my sins, Lord. Please forgive me."

3. Believe that Jesus Christ died for you on the cross and rose from the grave.

"I believe you did what you said you did—that you died on the cross then rose from the dead and have the power to save me."

4. Through prayer, invite Jesus Christ to come in and control your life through the Holy Spirit.

"Please come into my life and change me. Make me a new person."

5. If you have recently received Christ, we would like to give you a Bible. Contact Pastor Aaron if you are interested.
