

## HOLY LAND TRIP

JUNE 4-13, 2022 in celebration of our Bicentennial

The experience of being in the places traveled by the ancient prophets and Jesus Christ will make your reading of the Bible come to life. You will be able to more fully understand the history of the area by being there. It is a truly an adventure of Biblical proportions.

Some of the many sites you will visit are: **Mt. Carmel** where Elijah defeated the prophets of Baal; **Capernaum** the center of Jesus' ministry; **Sea of Galilee**; **Church of the Annunciation** a structure built over the traditional home of Jesus; **Jericho**; **Jordan River**; **Qumran** where the Dead Sea Scrolls were discovered; **Dead Sea** for a swim; **Masada**; **Church of the Nativity** in Bethlehem; **Mt. of Olives**; **Church of the Holy Sepulcher** in Jerusalem; **Temple Mount**; **Western Wall** and so much more.

Dr. Mark Ziese will be our guide. He has been an archaeologist in the Holy Lands. He is currently a Dean and professor of the Old Testament at Johnson University, TN. His experience and knowledge of the history of the land coupled with his in-depth knowledge of the Bible brings great insight into your travel experience.

The trip will be a small group experience with a minimum of 15 and maximum of 20 travelers. We will not be coupled with some large group so this will be a truly unique opportunity.

The cost is \$3,478 per person departing from Dayton or Columbus, double occupancy. The cost includes: round-trip international airfare, deluxe motor coaches, 1<sup>st</sup> class hotels, guided sightseeing, entrance fees to sites visited in brochure, breakfast and dinner daily, hotel gratuities, program fees, administration fees, fuel surcharge, governmental taxes, driver gratuities. It's hard to find such a travel bargain!

Registration begins **NOW** with the first payment (\$300.00) due by 12-7-21. There are several payment target dates, but final payment is due 4-5-22.

Passports should be valid through December, 2022.

Brochures are available. Information sessions will be scheduled. For additional information contact Diane Eichelberger 937-325-2880.
