When Pastor Aaron asked me to organize a trip to the Holy Land, I was very excited as this would be the first time our church had undertaken such an adventure. This trip also coincides with our 200-year bicentennial. **On this tour you will experience the Bible!**

1. Safety: Tourism is one of Israel's major economic resources. Because of that, COVID vaccinations there at this point is nearly 90%.
It is a safe and secure country to travel in. The people you meet are friendly and helpful. Our tour guide, Dr. Mark Ziese, is knowledgeable and very experienced.
2. Affordability: The cost of the trip is \$3478. This includes EVERYTHING except lunch. Even the driver gratuity is included. The first deposit is best to be made by December 7 to take advantage of the stated payment schedule. If you are unable to meet the 12-7 date, please read the section to determine a payment schedule.
3. The tour leaves June 4 (Saturday) and returns June 13 (Monday) so only 6 working days (if you're not a farmer). The time was planned so that: students would be able to go, hopefully it's after planting, and before it gets hot there.
6. This trip is fashioned to be like our small groups. The minimum number is 15 and our maximum is 20. The group will not be combined with other groups. We will have our own bus, entry to sites, etc.
10. Once we have our group established, I will be holding informational sessions so you will feel comfortable and equipped for the greatest experience of your life.
